Full-Time

Why Work Here?

"We believe what we do is just as important as how we do it"

NO EXPERIENCE NECESSARY- WILL TRAIN! Paying up to \$45k in the first year

Don't miss your chance to work as a **Pipeline Technician** in the sewer and water industry. Visu-Sewer provides all the construction services necessary to keep underground infrastructure operating at optimum flow and performance.

Visu-Sewer is a national organization which serves the underground construction community in the Mid-west and beyond. Visu-Sewer uses only the latest underground construction inspection technology for the assessment of sewer pipes. With highly trained crews and extensive experience, Visu-Sewer also provides diverse underground construction trenchless processes and solutions to maintain, rehabilitate and repair entire collection systems to deliver maximum performance.

As a Pipeline Technician, you will be trained to drive construction trucks and equipment to construction sites. Once on site, as part of a crew, you will use specialized underground construction techniques and equipment to perform sewer repair, maintenance, and rehabilitation services for municipalities throughout the upper Mid-west and along the East Coast. Visu-Sewer will provide training on workplace safety and equipment use.

QUALIFICATIONS:

- Must hold a High School Diploma or GED
- Must hold a valid driver's license
- Qualify for Class B driver's license/DOT health card (CDL training will be provided)
- Must be able to travel 1-4 nights per week (both in/out of town)
- Pass a background check and drug test screening
- Speak English

WE OFFER:

- Steady full-time employment with overtime available
- Excellent Benefits: Health/Dental and Life Insurance
- Profit sharing and 401K
- Paid holidays and vacation time
- Advancement Opportunities

Starting salary is hourly \$14.50 - \$27.00, the exact wage depends on skills and experience.
After 1 year of service, total income range averages between \$35,000-\$50,000/year.

About Visu-Sewer:
