Don't miss your chance to work as a **Trenchless Pipeline Technician** in one of the fastest growing areas of the sewer and water industry. Visu-Sewer provides construction services necessary to keep underground infrastructure operating at peak performance from above ground. We use the latest remote controlled underground inspection technology to inspect sewer pipes for municipalities and consulting engineers. With additional training and experience, our crews also provide trenchless underground rehabilitation solutions to repair infrastructure one pipe at a time.

Qualifications:

- Must hold a High School Diploma or GED
- Must hold a valid driver's license
- Qualify for Class B driver's license/DOT health card (**CDL training will be provided**)
- Must be able to travel 1-4 nights per week (both in/out of town)
- Pass a background check and drug test screening
- Speak English

About Visu-Sewer:

What started in 1975 as a small, family-owned business has grown to become one of the most established and trusted trenchless sewer inspection, maintenance and rehabilitation companies in the United States. Our services have grown to include CCTV Inspection, Cure-In-Place Pipe, Cementitious/Epoxy Manhole Lining & Grouting.

Headquartered in Pewaukee, WI, Visu-Sewer is a national organization which serves the underground construction community in the Mid-west and beyond. Branch offices: Bridgeview, IL - Blaine, MN - Mason City IA - East St. Louis, IL - Columbus, OH - Ashland, VA.
